1881 has closed his service there and he and Mrs. Brown have moved to East St. Johnsbury to carry on the farm and care for Mrs. Brown's parents, Mr. and Mrs. A. C. Wood. With the departure of Mr. Brown will probably disappear the best looking little place in the town. Successive street from the home and Hill. Before Mr. Brown began working on it the garden was a most unpromising looking bit of bank, but he tilled it so carefully that for many summers past it has been a strong testimonial to Mr. Brown's thrift and industry. The vegetables Mr. Brown has raised here shows what might be done in the way of increasing agricultural production on a large amount of waste land found in nearly every village of the state.

Mr. and Mrs. Thomas Wright have purchased the house at 154 Railroad street owned by Mrs. Thomas Pidgeon.

Easter was a singular day but nature smiled on those who would go to church in the morning and sent them sunshine. Early in the afternoon, however, rain was followed by snow and a high wind which lasted through Monday. Some of the towns around reported excellent sleighing and zero weather Monday.

At the close of the Wednesday evening meeting at the North church this week there will be a social hour in honor of the F. G. Woodworth and family who have endeared themselves to many of the congregation during their stay here. The Woodworths leave town on Thursday.

The King's Herald Society of the Grace Methodist Church will meet in the vestry, Saturday afternoon, at 3 o'clock. It is earnestly hoped that there will be a large attendance.

Col. Preston Post flag is at half mast again. Another comrade mustered out, Dr. Seth Eastman of Groton who passed away Monday morning.

For many weeks the shadow of death has been over the home of Dr. Lee and family and Saturday afternoon, April 4th, he who for months had patiently waited for the welcome summons closed his eyes in that sleep that knows no earthly making.

Though it had been known for months that his recovery was not possible, the word that he had gone from us brought sadness to the entire community, and all felt the death a personal loss. He was not only the faithful physician, but also the tender sympathizing friend to all in sorrow and trouble, and many patients have been cheered by his presence when he could give them no medical aid.

Dr. Henry H. Lee was born in Richmond, P. Q., November 2, 1857, the son of Edward J. and Elizabeth P. Lee. His early education was received in Canada, after which he entered U. V. M. from which he was graduated in 1881 and came here the same year to practice his chosen profession, and with the exception of about two years in Worthen, N. H., this has since been his home, having by earnest faithful service established a large business and attained to a position which it will be hard to fill. He was intensely interested in his work, and all the duties of our village and with his wife rendered valuable assistance in all worthy causes. Being inclined to military affairs, he joined the 1st Vt. regiment in 1890, was Major Surgeon in 1898 and went south with the regiment in the Spanish-American War. In 1899 he went to the Philippines as assistant surgeon and served two years, being honorably discharged in Calif. in May 1901. He was attending surgeon at Cottage Hospital, Woodville, a member of the Tuberculosis Commission and of several medical associations. He was a member of the Masonic Fraternity, a charter member and First Worthy Patron of Corinthian Chapter, O. E. S. and at time of his death was again his honored worthy patron, also associate member of the local G. A. R. Post and much interested in the affairs of our village and with his wife rendered valuable assistance in all worthy causes.
